

# SIDE-SHIFT FLAIL MOWER

## MIZAR/SR 175, 200, 225

This versatile mower is an essential tool for agricultural tasks, handling grass, shoots, and pruning with ease (up to Ø 6-7 cm). Compatible with medium-sized tractors, it efficiently mulches vegetation, returning nutrients to the soil and maintaining a tidy appearance. From mulching shoots and cutting wood to processing stalks and plant residue, it offers a cost-effective solution for property maintenance. Delivering clean, uniform cuts and featuring a double reversible hitch for convenience, this mower ensures efficiency and versatility in the field.
