

STREET SWEEPER - MEDIUM

FF/HF 1200, 1300, 1500, 1700 MA

The brushes are made of wear-resistant polyurethane, which extends the life of your brushes. The 10" caster wheels make it easier to navigate around objects and structures. The angle of the brush can be effortlessly hydraulically adjusted. The support legs offer quick and easy mounting and dismounting of the brush as well as stability when the brush is stored.
