

# COMPACT VACUUM SWEEPER

## SX 1200, 1600, 2

The SX compact vacuum sweeper is a sweeper/suction attachment design to fit on most compact tractors and multi-purpose vehicles. With its two independent brushes, widths up to 2.4 m can be reached and with a third brush, widths up to 2.6 m can be attained. Three models are available – SX1200 (1.2 m<sup>3</sup> waste, 220ℓ water), SX1600 (1.6 m<sup>3</sup> waste, 280ℓ water) and SX2 (2.0m<sup>3</sup> waste, 300ℓ water). The front attachment can be changed to a mower so the vacuum can collect grass instead of debris.

|                                   | SX1200  | SX1600                          | SX2                                 |
|-----------------------------------|---|---------------------------------|-------------------------------------|
| <b>Water Tank Capacity</b>        | 58.1 US G (220 ℓ)   | 74 US G (280 ℓ)                 | 79.3 US G (300 ℓ)                   |
| <b>Waste Container Volume</b>     | 1.6 cu yd (1.2 m <sup>3</sup> )   | 2.1 cu yd (1.6 m <sup>3</sup> ) | 2.6 cu yd (2 m <sup>3</sup> )       |
| <b>Tipping Height</b>             | 67" (1.7 m)   | 63" (1.6 m)                     | 57" (1.5 m)                         |
| <b>Cleaning Width (2 brushes)</b> | 79" (2 m)   |                                 |                                     |
| <b>Cleaning Width (3 brushes)</b> | 94" (2.4 m)   |                                 |                                     |
| <b>Suction fan capacity</b>       | 4944 cu yd (3780 m <sup>3</sup> /h)   |                                 | 9156 cu yd (7000 m <sup>3</sup> /h) |
| <b>Standard Features</b>          | Intuitive Sweeper Control Panel, Manual Suction Hose, Easy Removal and Installation |                                 |                                     |
| <b>Mounting</b>                   | Custom options available  |                                 |                                     |
| <b>Options</b>                    | Hydraulic Brush Tilting, Electrical Suction Valve Control, High Pressure Washer     |                                 |                                     |
